Top Sign Issue

Thinking of all the signs you see across Hamilton, which ONE sign issue do you feel should receive the greatest attention?

#1 sign issue in Hamilton:

Other important sign issue:

Other important sign issue:

What areas in Hamilton do you think have GOOD or APPROPRIATE signs?

What led you to say this?

What areas in Hamilton do you think have BAD or INAPPROPRIATE signs?

What led you to say this?

How can the way Hamilton regulates signs be improved or changed?

Think about what differences in signs you would like to see in Hamilton in the next three years.

If you had the responsibility to regulate signs in Hamilton, what is the ONE thing you would focus on over the next three years that you feel will do the MOST to improve the signs we see on the buildings and properties as well as the appearance of areas in Hamilton where there are signs?

Overall Comments on Signs Please rate the importance of the following to what you think about signs by placing an X in the appropriate box. Then rank the issues in the last column from 1 (most important) to 10 (least important). Feel free to add other important issues related to signs in the blank lines below.					
	Very Important	Somewhat Important	Not Very Important	Not at All Important	Overall Rating (1 - 10)
Appearance of the sign					
Size of the sign					
Height of the sign					
Number of signs on a property					
Number of signs on properties along the road					
Number of signs on a building					
How the sign blends with the design of the building					
Whether I find the sign distracting					
Whether I feel the sign affects pedestrian or traffic safety					
How signs contribute to an area's appearance and character
