Why is EmployerOne Survey important?

- EmployerOne is the most efficient way for Hamilton employers of all sizes and sectors to partner with WPH in building a strong workforce and prosperity for themselves, as well as for the community
- By sharing your individual business challenges and hiring plans for the future we capture a snapshot of labour market trends in Hamilton and share the feedback with community partners

When?

- The survey is open until January 31, 2020

Who should complete EmployerOne?

- All Hamilton employers and business owners are asked to complete the survey
- This includes: Dundas, Ancaster, Waterdown, Flamborough, Glanbrook and Stoney Creek employers
- Your individual responses will be kept confidential
