

## Material Handling 4.0 Employer Information Session

City School by Mohawk provides free post-secondary and employment courses to community members. Funded by the Government of Canada's Future Skills Centre, our new Material Handling 4.0 program aims to get people into sustainable, rewarding careers in goods movement. Join us to learn how your organization can benefit from participating as an employer partner in this exciting new program.

**We welcome you to attend an upcoming Information Session**

**Thursday, September 16th, 2021  
2 – 3 pm via [ZOOM](#)**
