

Dear Chamber Colleague,

Did you know, in Canada, the estimated average cost of a data breach was \$6.3 million in 2021*? As the cyber threats become more sophisticated, learn how you can take your security system to the next level and keep your business running smoothly.

We would like to invite you to join our webinar on Critical Trends in Network Security on **May 18th, 2022**. In this webinar, you will learn the best industry practices in managing and securing your IT infrastructure and making you business more productive.

Please click the link below to register:

The banner features a dark blue background with several interlocking gears in shades of blue and purple. Some gears contain icons: a padlock, a cloud with a gear, a bar chart with an upward arrow, and binary code (0110, 1001, 1010). A circular portrait of a man in a suit is positioned on the right side of the gear cluster. The text is white and yellow, providing event details and a call to action.

CRITICAL TRENDS

IN NETWORK SECURITY | FREE CANON WEBINAR
